# Recommended Airport

We recommend that participants arrive at **Tokyo Haneda Airport**, as it is the closest international airport to our campus. Narita International Airport can also be used.

Please note that there will be no airport pickup service, so all participants will need to travel to the campus on their own.

This guidebook includes simple instructions on how to get to the campus by taxi or by bus.

Note: Information on traveling from Narita International Airport to the campus is also included.
